dedication

We, the class of 1968, choose to dedicate our Birch Log to the Student Body of East High School. No single person or event has been more important than this group of students; we feel that they deserve special recognition. A high school is only as good as the members of it; we at East feel that we have enjoyed the best of both. At all school functions and projects, this enthusiastic group of students has given their fullest support: cheering for our teams, whether losing or winning; working on committees such as Red and Grey Day and Homecoming; participating in service projects and student government; striving to achieve a high academic record. Their active participation in this small world at East is an indication of their future participation in the real world outside — the world into which we are graduating. The yearbook is a record of student life; for this reason, the 1968 Birch Log is dedicated to the students!

The 1968 Birch Log signifies the time when school is once again drawing to a close for another year. The memories chronicled within these covers will be of lasting value to each student who has attended East High.

It is my hope that your memories of the school year are pleasant and that the school has been able to serve you in a significant way toward the course you have set for yourself.

As the years go by you will be amazed at the number of times this book will rekindle the memories of those events which are now written into the history of East High 1967-68.

The faculty and staff join with me in wishing you every success in whatever the future holds for you.

administration

VICTOR BITTNER, Assistant Principal.

The American public school is historically an extension of the home. It is also a democratic social organization to aid individuals to adapt themselves to harmonized living, provide adequate vocational and professional training, and an attempt to instill in them a sense of social and moral responsibility.

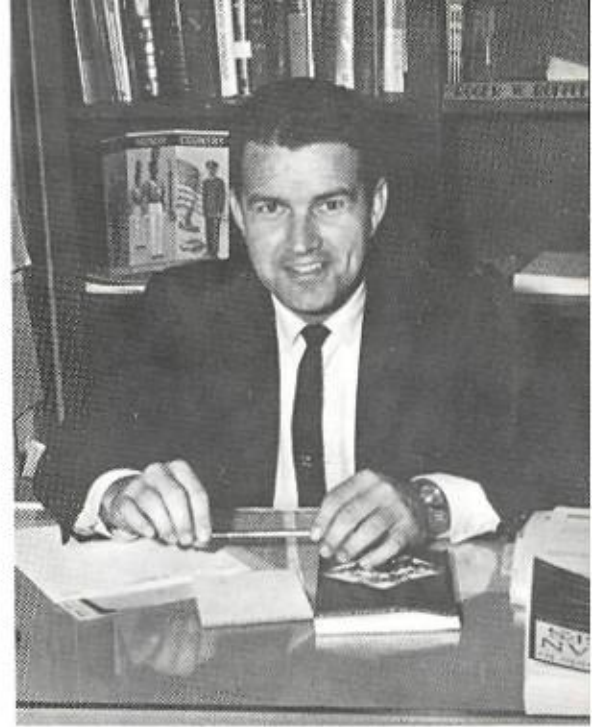

Instruction is the purpose of the schools; organization and the process of administration growing from the diverse demands, is only a means, not an end in achieving instructional objectives. Administration is essentially a service activity, a tool through which the fundamental objectives of the educational process may be more fully and efficiently realized. With this point of view, it is obvious that the teacher becomes the most important agent, with the administration in the position of helping in every which way to increase the effectiveness of the teaching process. Much time, effort, and thought is put daily into this basic concept. If it is possible to produce the proper conditions, materials, and give the proper consideration, the teaching process will become more effective.

counselors

East's counselors play a major part in the lives of the students, helping with personal, educational, and vocational plans. Students are encouraged to use the counseling or guidance services whenever they feel the need, regardless of how unimportant or foolish the difficulty may seem. The goal of the counseling staff is to assist each individual student in attaining the goals that will enable him to lead a productive and satisfying life in our modern society. In addition to special training in counseling, members of the Guidance Department also have access to large amounts of information of jobs, schools, colleges, and the military services.

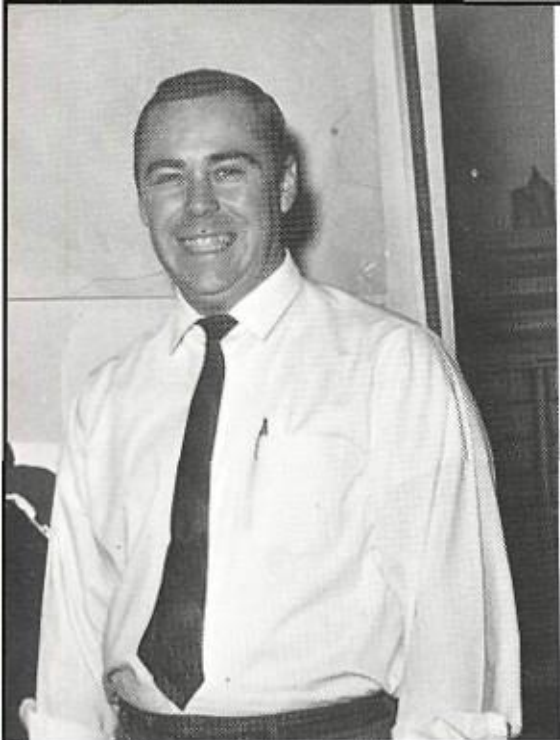

Each senior and his parents has a scheduled conference with one of the counselors to discuss the seniors future plans and what affect the information on the school records might have on these plans. However, students are encouraged to begin thinking about the future and exploring the various possibilities before the senior conference.

It is the responsibility of the counselors to ad-

minister the school's standardized testing program, including such tests as the Lorge-Thorn-dike Intelligence Test, The Minnesota Aptitude Test, The National Merit Scholarship Qualifying Test, The Strong Vocational Interest Blank, and possibly others. Materials and information are also available on registering for the ACT and College Board exams, required for college entrance.

Stop in and see one of the counselors — they are always glad to talk with you.

I landed on your continent during August, 1967, innocent, and full of good will. After a few jokes with newsmen, at least I think they were joking, they showed me how little they knew about my country. I don't say this because I am ungrateful — I realized that those newspaper jokes were serious matters with all the people I met: my American fellows know little about foreign countries. I came to America with the same level of information. That's why my experience is so useful. Imagine the work you have to do to convince me the U.S. is a great country — Imagine the work I have to do to convince you France is not only a wine country.

We appreciate the way you listen to us when speaking about other corners of the earth. I can tell you how good I feel when I can't get out after a speech because everybody wants to talk to me. Boon and I appreciate your hospitality at home and especially in school. I am having a fabulous experience. In seven months I've learned more than during the years which preceded my coming to the U.S. You can be sure that the best souvenir I'll bring home will be American hospitality!

Through movies and magazines, I have built up in my mind, the stereotype of what America was like before I came here. But now I have decided to forget what I knew about America and start a new discovery of myself. At the same time, I wish that American people who got the idea of what Thailand was like from the movie "The King and I," would keep aside their old ideas and rediscover Thailand. It is very fortunate that we have a student-exchange program like American Field Service. It gives us a hope that one day true understanding among nations will be accomplished, and they shall have peace. It is also fortunate that the Barnes are my family over here and that I go to the best high school in Duluth. My pride in being an Eastite is as great as the honor of being a foreign-exchange student. I know that I am going to miss my family and friends here when I go back to Bangkok. However, I have to go back to my country, as I love it, and share my experience with my family and friends.

Boonwong Chotnangprasert

a.f.s.

My experience this past summer as an American Field Service exchange student has left me with a number of impossibilities: the impossibility of putting into words what those fantastic three months meant to me; the impossibility of thanking a wonderful family living half-way around the world who gave me not only food and shelter, but warmth and understanding; and the impossibility of believing that this experience was to happen only once, has happened and is over.

To most people, the value of an A.F.S. experience would seem to be living in a foreign country and learning about a different way of life, but it's not. The real value is in struggling with an impossible language to be able to say "good morning" to people who are doing everything they know of to make you feel a part of the family, and to find out that all people are one, speaking a universal language of laughter and tears. The real value comes from learning a family and country which has become so deeply entwined with your life, knowing that you may be back someday, but who can be sure? Speaking as one of many A.F.S. students, I can't say "thanks" for my personal experiences, but I can say "thanks" for having been given the opportunity to fulfill a worthy ideal — peace through understanding.

girls state

Girls' State is something that I will probably never forget, something that I will never be able to stop talking about, and something that will always bring smiles and fond memories whenever I think about my past experiences.

Four-hundred and eighty girls representing schools from all over the state took part in the 21 Annual Session of Girls' State this year. Each year it meets in the 4-H Club Building on the Minnesota State Fair Grounds and is sponsored by the American Legion Auxiliary.

The lasting friendships, the knowledge of government, the patriotism which has been instilled in me and the inspirations which I have been given are my gains from Girls' State. It is actually learning government through living it. Two parties were formed and government was carried out on local, county and state levels. Girls' State is a mythical state, but the activities are real.

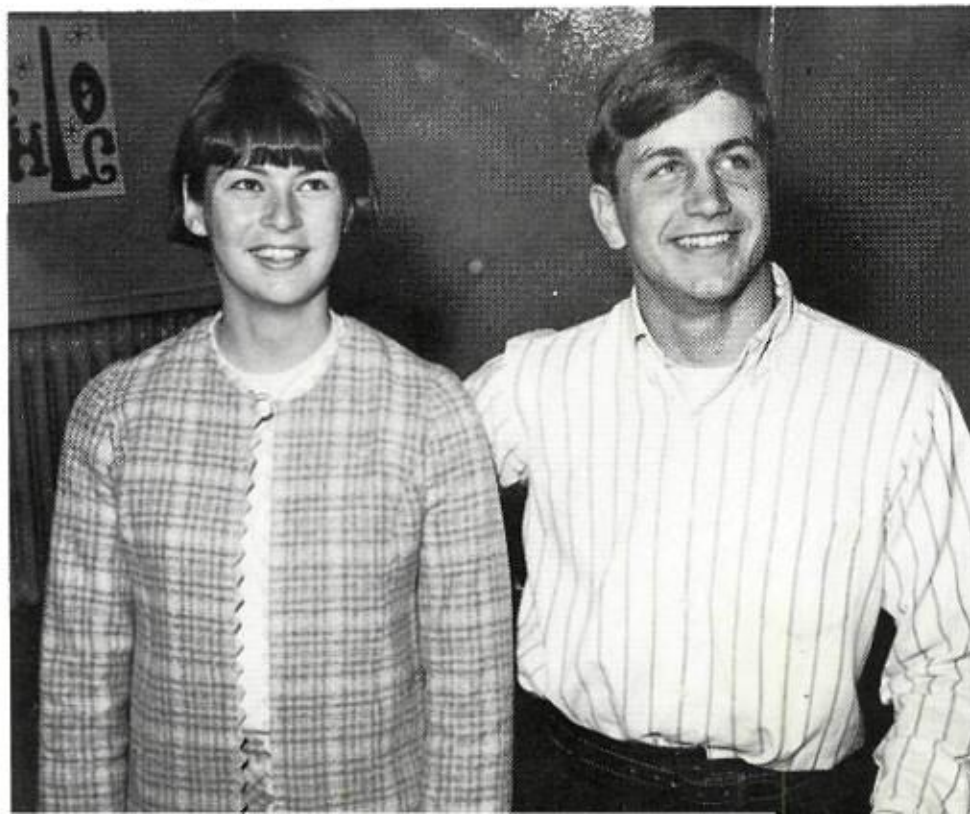

I will always treasure what I have gained from Girls' State — "the best state in the land." I sincerely thank you for giving me the opportunity to represent East at the 1967 session of Girls' State.

Kathy Sykes

boys' state

Boys' State provided me with a new outlook on government. I learned that the type of government we have is successful only if the governed take an active part with the problems at hand. If people are aware of this they will take a more interested view. It worked for me; the more I found out about democracy, the more interested I became. Inspiring speeches, more knowledge of government, and meeting boys like myself in the environment of dignity have left me with a lasting impression of this rewarding experience.

With East's pride in new building addition is also the continuing pride in its Student Council. Under the leadership of Anders Christensen, president; Al Esparza and Steve Widdes, vice presidents; Nancy Berman, secretary; Dave Donovan, treasurer; and Mrs. Bartle, advisor, the student council has worked very hard in promoting unity, student participation, and school spirit at East.

This year the committee chairmen played a large part in organizing and carrying out many of the school's projects. Chosen last spring, the

chairmen worked along with the officers in the executive committee.

The Student Council sponsored Loyalty Day and its punches, the Pepsi bottle cap drive, a campaign for East to run for veep of MASC, Christmas door decorations, Student-Faculty Tea, Red and Grey Day, Student-Teacher Day, and dress days.

Thanks to the work and enthusiasm of the executive committee, representatives, and interested non-members, the council has experienced another very successful year.

birchloggers

Making the '68 Birch Log the best ever was the goal of the entire yearbook staff. Even though "deadline" was a dirty word, section editors managed to get their pages in on time. Much of the credit goes to our editor, Ellen Priest, whose new ideas and bubbling enthusiasm carried us through many a bleak day. Besides yearbook, the staff also sponsored the Sno-Beau Dance.

The hard working staff included: Editor-in-

Peggy Friedman, Miss Paul, Nancy Ferris.

"The Dating Game" was the name of the assembly opening the '67 Greyhound campaign. Winners were rewarded with tickets to the game and dance that night. The success of the days events were a good indication of the success of the entire campaign. Competition between classes and homerooms raised subscription sales considerably. The first 100% homeroom, 117, got a writeup in the paper's first issue.

open minders

The Open Mind, East's own literary magazine, has again served to bring out the best in the body of East High. Including more works of art than ever before, this year's staff had to choose from pieces of poetry, prose, photography, painting, sculpture, and even music. Besides works submitted by students, the staff uses many of their own originals.

Directing the show this year were Stephanie Laskin and Nancy Hertz, co-editors. Handling the business ends of the deal were John Ring, business manager and treasurer, Linda Hendrickson, secretary, and Mr. Burrows, advisor. The group worked very hard to evaluate and finally compile a great assortment of East masterpieces. The magazine has succeeded again in its purpose — to encourage and exhibit the creative talents of the East High student body.

Mr. Burrows, Nancy Hertz, Stephanie Laskin.

Much work goes into each debate.

This year's debate team, under the leadership of Mr. Eric Peterson, has upheld the fine standards of debate at East. The East teams have made a good showing at all area, regional, and state tournaments.

honor

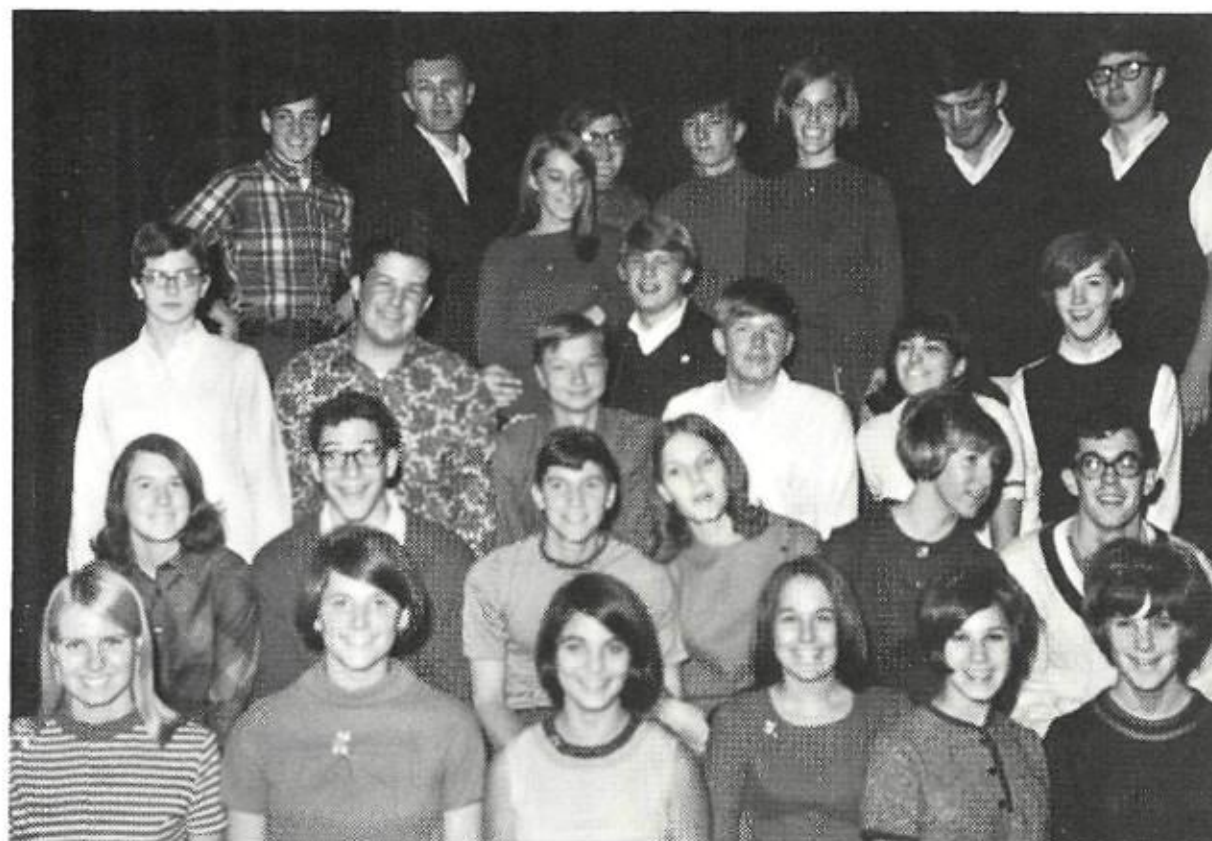

Students who participate in debate and speech are eligible for the National Forensic League. Through participation in interscholastic meets, students earn NFL points based on their ratings. They must accumulate 25 points throughout the year. The aims of NFL are not only to encourage students to participate, but also to make them more effective and influential speakers.

Each spring juniors with a 3.5 scholastic average and seniors with a 3.2 average are initiated into the National Honor Society. Besides scholarship, a student must have shown good citizenship and leadership abilities and participation in extra-curricular activities to qualify for membership. Under Mr. Strom's advice, the Society is led by Larry Fields, president; Ray Barnes, vice president; Marilyn Koepp, secretary; and John Haavik, treasurer.

societies

Points earned in class plays, one-act plays, or backstage work for production qualify a student for the National Thespian Society. The Society, headed by Mr. Canfield, helps present all class plays during the year and forms committees such as make-up, props, and publicity which help make the play successful.

Through journalism work on the school paper or yearbook staff, students are eligible for membership in Quill and Scroll. Members must have a certain number of inches published and rank in the upper third of their class. Those who meet these qualifications and are recommended by Mr. G. Carlson or Miss Paul, advisors, are initiated into the Society at the honor banquet held in the spring.

We're the greatest

Under the watchful eyes of Mr. Pettigrew, the East High orchestra has completed another fine year. The orchestra presented many concerts throughout the school year. It participated in a String Clinic at U.M.D., the Loyalty Day assembly, the Christmas concert, a winter concert, and a spring concert, and performed at assemblies, elementary and junior high schools and at commencement.

The games and pep assemblies wouldn't seem right without the East band playing, adding rhythm, and promoting school spirit.

Mr. D. Smith is our new band conductor. With his help and the talent of the members themselves, the band put on many fine musical productions. The band performed in the Christmas City of the North Parade, in assemblies, at hockey, football and basketball games, and gave a winter concert.

girls' club

The Girls' Club, one of the largest and most active organizations at East, serves to promote a spirit of friendliness and service among all girls of the school. Its main purpose is to enrich each of its members in some small but significant way that will help her now as well as in the future. The Girls' Club at East uses its profits to support an orphaned Korean girl.

The Cabinet is made up of homeroom representatives and the Club officers who plan the

activities of the Girls' Club. Some of the activities planned this year were a Big Sister — Little Sister Tea, the Patch Dance, a Christmas Party, the Father-Daughter Dance, an Easter Party, and a Mother-Daughter Tea.

Officers for this year were: Jo Budney, president; Shayne Dizard, vice president; Kathy Sykes, secretary; Diana Berg, treasurer; Margie Mara, chaplin. Miss Paul was their advisor.

arsenic and old lace

This year's fall play, sponsored by the Senior class, was "Arsenic And Old Lace." It concerns two old ladies, played by Candy von Goertz and Linda Hagen, and their contribution to mankind by putting old men out of their misery. Dave Paull, who is the old ladies' nephew, doesn't think too highly of the idea. Things go from bad to worse when another nephew arrives, played by Dean Martin. He adds to the situation with a corpse of his own. Dave Paull thinks he finally clears up the situation by getting his murdering brother in jail and his crazy aunt's in an insane asylum, but as the curtain closes the two aunts find another victim.

Ten Little Indians, the Junior class play, begins when ten people are invited by an unknown host to an isolated island. When they arrive they find that they are to be executed for a murder which one of them has committed. The death symbol in the play is ten Indian statues which sit on a fireplace mantle and are broken as each person is killed according to the familiar rhyme.

It is written by Agatha Christie and has been presented in many countries beside the United States because of its wide appeal and adaptability to foreign languages.

Compiling a record of 6-1-1, East had its most successful season since 1960. With their only loss to Cloquet, the team held the number two rating in the area during the last half of the season. This success was made possible by the leadership of our coaches and the enthusiastic senior members of the squad who are pictured here. Although a tie with Denfeld dulled their spirits, the Greyhounds went on to tie Denfeld for the city championship. East is very proud of its 1967 football team.

The Coronation

homecoming '67

On October 18, 1967, climaxing a week of continuous activity, Ann McShane was selected Homecoming Queen by the Senior class of '68.

A 'Pizza Fest' sponsored by the cheerleaders and Jeno's Pizza began the festivities. Immediately following the pizza dinner was the annual Homecoming bonfire in the Athletic Field. The next morning, an assembly and pep fest were held at which the candidates, who were nominated by the football team, were presented to the school. Previous to the football game that afternoon against Silver Bay at 2:00, ten Senior girls participated in a Puffathon and ran the football by relay from East to Ordean Field. Our football team then beat the Mariners in a game highlighted by a special halftime program.

During the dance that evening, the tension rose as Ted Tollefson, the Master of Ceremonies, again presented the candidates. Kathy Larson, the reigning 1966 Football Princess, then relinquished her crown; and Peter Furo, the football team captain, wavered between the candidates, Kathy Hanson, Marianne Martens and Ann McShane, before crowning Ann Football Princess of 1967.

The Cross Country Team was once again a strong contender for district and regional titles, but ended in third and fourth places respectively. John Cordes led the team by placing fourth in district and thirteenth in the state. Though running in wind, rain and snow, the harriers proved their worth under the watchful eye of Coach Fayling. With many members returning next year, hopes are high for another good season.

After a first place in the City Meet and a second in a triangular meet with Cloquet (the eventual state champs) and Central, the East Ski team went after the district and state titles. The slalom team had a little trouble in the district meet; but their cross country and jumping counterparts, led by Tom Kern and Jerry Spehar, won for East third place honors. At the state meet, the slalom team was again in top form and won second place in slalom honors led by the second place individual finish of senior, John Haavik. Eighth grader, Terry Kern, also captured top honors in the jumping division finishing eighth. The ski team, under the direction of Mr. Magney, again proved that East is a perennial power in all winter sports.

Members of the team were: Slalom-John Haavik, Peter Wilkinson, Bob Douglas, Marsh Spencer, Craig Kreidler, Jack Priley and Tom Nygard; Jumping- Terry Kern, Tom Martin, Jerry Spehar and Bob Van Horn; and Cross Country- John Gould, George Voorhis, Tom Kern and Dave Tyacke.

Two losses to Central were the only blemishes on the Hounds' record this year. The basketball team was also rated in the top standings of teams around the state, holding a rating between sixth and eighth throughout the season. The East team dazzled many fans this year with their fine play. To make the sport more popular, many games were played in the Arena and were featured as sport headliners in the area; the caliber of East basketball was a headliner to all. Fine coaching on the parts Mr. Mrkonich and Mr. St. John have made the Hounds a perennially tough team. With many returning lettermen, next year's team should do well.

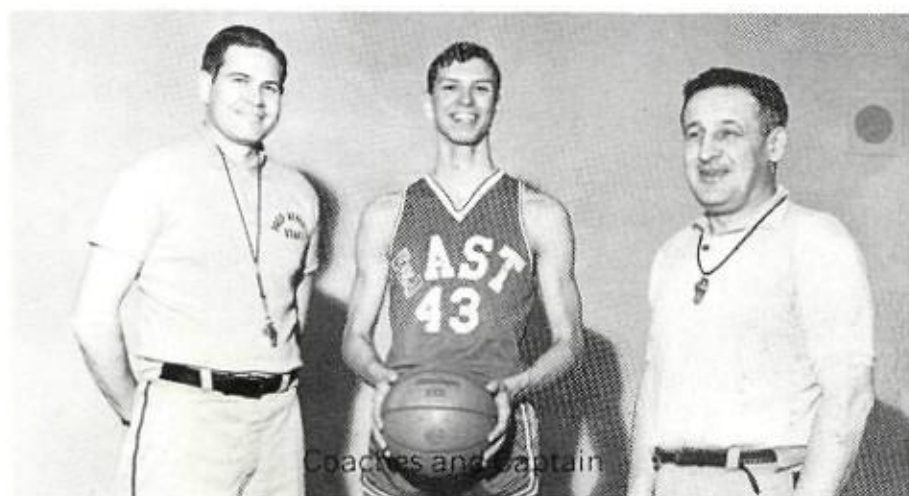

Captain Jim Maunu

These seniors, Bruce Pulford, Mark Melhus, Herb Fritch, Jim Maunu, and Tim McCall, have "stuck it out" with the team for four years starting on the "B" squad in the ninth grade. Their time and devotion has paid off in more ways than just winning ball games. 68'ers-Hats off to you!

We feel the talent studded starting line-up consisting of Hugh Casper, Mark Melhus, Lew Rickert, Jim Maunu, John Hall, along with Coach Mrkonich were one of the finest in the Big Ten Conference. This year these boys held undisputed second place in their conference. Although the team's emphasis was on defense and applies a stiff full-court press on all opponents, four of these starters were among the top twenty scorers in the district. Jim Maunu was second highest scorer with a 17.6 scoring average per game. Only two seniors are on the starting line-up of five. Other fine juniors will be filling their spots next year.

Joan Radford, Miss East 1967, wavered between the candidate and as the tension increased, crowned Bonnie Bohart, Miss East 1968, to climax a week of Red and Gray festivities. They began January 17, when the five Miss East candidates and the six attendants were announced at a thrilling assembly. Things really got into full swing on January 25, when the court was again introduced to the student body in a morning assembly. The eleven girls were escorted by representatives of all East sports, and the school was made aware of East's proud sports' heritage. The Chor-allaires also sang. A pep fest later in the day prepared everyone for the exciting basketball game with Central that evening. Although

After a furious day of decorating, the coronation and dress-up dance were held Friday night in the East gym. The coronation was preceded by the presentation of the court which included: attendants — Marilyn Koepp escorted by David Hieb, Barb Weisenhaus escorted by John Cordes, Margie Mara escorted by Ted Tollefson, Linda Carlson escorted by Tom Stebe, Jo Budney escorted by Al Esparza and Debby Ringsred escorted by Peter Furo; and the candidates — Nancy Berman escorted by Ray Barnes, Diana Berg escorted by Kirk Johnson, Bonnie Bohart

Entertainment for the court was provided by Tracy Smith who sang "Only a Rose," David Hoden and Patty Bero who sang "The Way You Look Tonight" and the East band under the direction of Mr. Smith. Steve Widdes was general chairman, and dance music was provided by "Wagner Brothers plus One." An anti-climax to the coronation was the presentation of the hall decoration award which was accepted by junior vice-president, Steve Widdes on behalf of the class of '69.

The Second Line

For the first year at the helm of the hockey squad, Coach Bourdeau directed his team to a seventeen-win, five-loss, and a tie record, a commendable showing for any team and its coaches. Again the hockey team won the District 26 title winning over Cloquet 4-1. Although

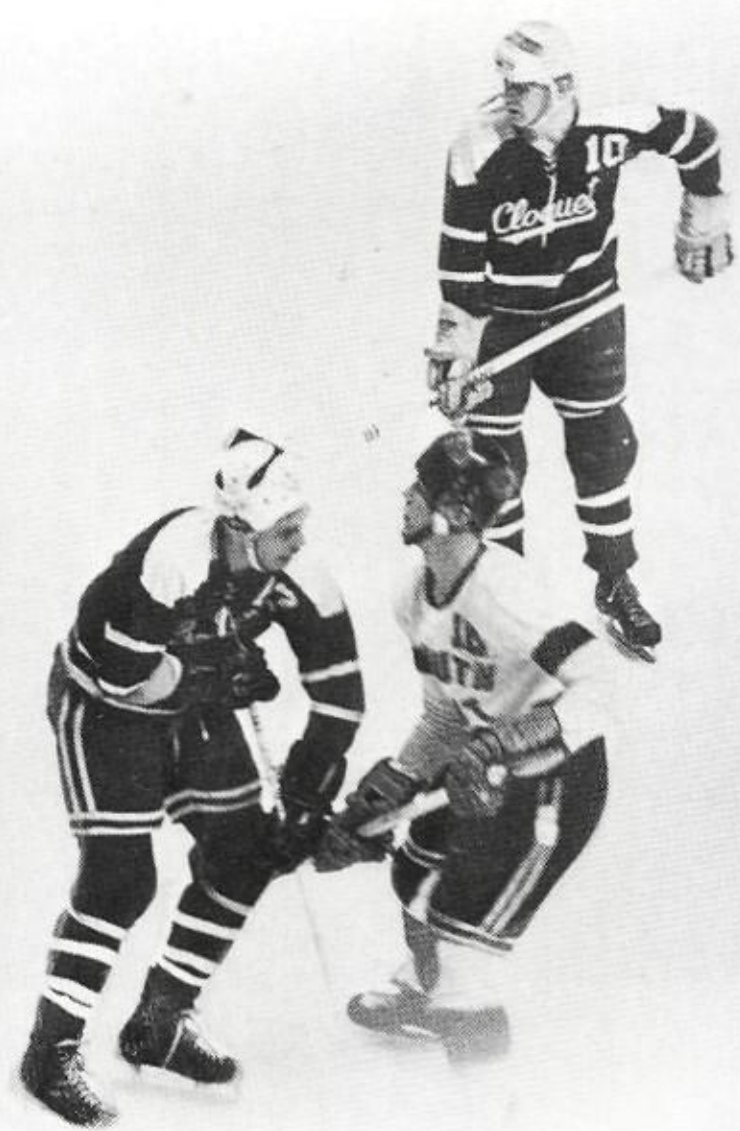

losing in the first game of the region tournament, the team held a rating of sixth best team in the state for more than half of the season. The fine team also beat six of the eight teams that finally went to the state tournament.

A good nucleus of returning letterman was the strongest point of the hounds this year. They played teams of topnotch competition from all over the state. Although the season started late because of the long winter, East's ball players were talented enough to keep up with southern Minnesota competition and retained its fine standing as an outstanding team.

golf

Last fall the girls' golf team made a spectacular showing of their season by capturing the city trophy. Since all of the girls pictured are juniors and sophomores, the team should be stronger next year.

The boys' golf team consisting of Bruce Wendtland, Rich Hill, Chuck Schwieger, Mark Heaslip, and Terry Spehar, are led by Lynn Slonim and John Hall. Having a very successful season this spring, like the girls' team, the boys' team is young with only two seniors leaving. Next year's team should not have too much trouble developing into the area's best team as it did this year.

The cheerleaders adopted a new program during the '67-'68 school year. In the spring of '67, twelve cheerleaders were chosen to cheer jointly at football games and to cheer in squads of six for basketball and hockey. Bonnie Bohart and Annie McShane were chosen co-captains; Bonnie for basketball and Annie for hockey. Other members of the hockey squad include seniors Kathy Sykes and Margie Mara and juniors Barb Hed, Libby Strain and Laurie Johnson.

The basketball squad also includes senior Sharon Jarvenpa and juniors Darlene Page, Shelley Ryan, Carol Radford and Kathy Peterson. These girls can be seen generating school spirit everywhere by leading pep assemblies, selling pom-poms, putting up posters, sponsoring Homecoming activities, organizing caravans and cheering at all sports events including cross country, swimming and baseball.

Under the firm but tender guidance of Mr. Rolle, the "E" Club has revived many worthy traditions and inaugurated many new service projects to help the school. Meeting weekly the lettermen plan and carry out such projects as selling refreshments at home games, promoting East teams by selling tickets, ushering, keeping the Athletic bulletin board up to date with pictures of the team members of the week, and arranging buses for out of town games. With officers, Pete Furo, president; Mark Melhus, secretary; and Mark Loman, treasurer; these boys have done a fine job to help the school and keep school spirit and game attendance at its peak. (Of course, they don't go unrewarded; they get into all the home games free!).

The Sports Board, under the faculty direction of Mr. St.

John and Miss Dessen and the student direction of president Larry Fields, is the co-ordinator of all co-educational intramural sports at East. Their hope is to widen the scope of student participation in all types of sports. The Board has successfully sponsored a mixed volleyball tournament and also are the sponsors of the annual broomball tournament. The enormous participation by Eastites is proof of the success of the hardwork of these students.

The G.A.A., program which has always been greatly supported by East girls, has experienced one of its best years under the new supervision of Miss Dessen. With officers, Diane Larson, (president), Kathy Jensen and Elaine Berteen, the Girls' Athletic Association members enjoyed participating in team sports and inter-school play days.

We, the sophomore class, have had a great year at East. We have become acquainted with those around us and have worked hard to acquire respect for our class.

Through active participation and enthusiasm we hope our Junior year will be just as memorable. Our goals are set high to keep East's reputation up on top.

(Reserved for Carol)

Roger,

It's been alot of fun going with you this year. The dances were alot of fun, but sometimes you've got to watch yourself. ~~Ha!~~ I hope you weren't too embarrassed with me at the Pizza Hut. Next time I'll make him give me a doggy-bag. I'm still sore from falling down so much roller skating. Maybe I'll do better next time. Sorry, I'm writing so sloppy. I enjoyed the prom so much. But the roses were just too much. They were so beautiful. I'll never forget them. I can't think of anything else to say, I could put more down but you might get embarrassed.

Love,

Carol

P.S.

Don't get so nervous about the band concerts. Maybe someday I'll learn to pop popcorn.

Good lucks in the future. You're a real great kid and never change.
